

Primary Plus

Your on-site ICT expert

If you had an on-site ICT expert, how would you deploy them?

- Running CPD or training sessions for groups or individuals (teachers, learning assistants, office staff or others)
- Reviewing and developing policies (eg. e-safety, use of ICT, induction and ICT)
- ICT visioning
- Curriculum development (eg introducing programming or pod-casting)
- In-class technology support
- ICT audit (eg using the ICT Strategic Review Framework)
- E-safety audit (eg using the 360 Degree Safe self review tool)
- Giving an e-safety presentation to parents
- or something else...?

EVC can offer you high quality ICT **curriculum and strategic support** with a range of affordable Primary Plus packages to suit different

**Primary Plus
Packages**

The *Starter package* allows a school to focus on one or two areas, whilst the other packages offer progressively more scope and flexibility and the opportunity for a closer partnership.

If you cannot see a package that meets your needs exactly please get in touch to discuss this further.

"Expert in residence" up to 24 visits/meetings* per year

"Regular contact" up to 15 visits/meetings per year

"Intermediate" up to 9 visits/meetings per year

"Starter package" up to 5 visits/meetings per year

**Up to two and a half hours on-site. Visits must take place within 12 months of the start of support and cannot be carried forward into subsequent years. There is no VAT to add.*
